Teacher Summer Sign Ups

Please signup TODAY to fill our summer teaching slots for our children in the lobby for preschool through fifth grade. Check the summer slot openings in your program announcements or stop by the table. You will receive all the information and curriculum you need to have a fun class experience. Summer teaching has begun and runs through September 2. We need two preschool (ages 3-5) leaders, two elementary (K-5th grade) leaders and one classroom roamer per Sunday service on the above dates. Stop by the table to get all of your questions answered. Thank you in advance for your involvement!

Mexico trip is almost here

High school and college students! Sign up for this year's trip to Mexico for home building and/or helping to lead a VBS. The cost will be \$290 and will go from July 21st-28th. This will no doubt be an eye opening and life changing event! You can sign up in the youth building or email Eric at eric@gcfweb.org.

Check out the Website

Remember to check out the church web site at www.gcfweb.org. On the website you will be able to find information about Grace ministries, as well as a calendar of events taking place in the church. In the diaBlogs, you will find regular thoughts and opinions from the church staff regarding matters of culture or whatever is on their mind (see "Got an Opinion?"). You can also check the library section of the website to download recordings of sermons and Grace Institute lectures for your own study time or something to listen to at work.

Got an Opinion?

This week's blogs:

Pastor Tracy writes: "So by accident I ran across this blog by M. Patton about cursing and, similar to the author's response, it made me laugh and cry..."

Pastor Eric writes: "I'll come out and say it. I don't like most tracts. You know, those little pamphlets of paper that are supposed to represent the Gospel. In fact, it's borderline hatred..."

Our pastors (and missionaries when possible) take turns writing on various topics pertaining to our culture, our community, and whatever is on their minds (which is sometimes scary). You can view their blogs on our website at www.gcfweb.org and contribute your thoughts as well -- if you want to.
