## Silent Auction Donations Needed

Your help is needed to provide donations for the silent auction coming up at the Poor-Man's Dinner, Talent Show & Auction; A Youth Fundraising Extravaganza. The proceeds will benefit our youth program.

Donations can include items or services that you or your business can provide. You could possibly auction off "talents" or gifts' you have received from God. The possibilities are endless: crafts you can make or teach, food

you can make or meals you could share, musical people could serenade or teach music, gardening, picnics, boating, hiking trips, housecleaning... You name it!! (Some examples from last year included a tea party, theme baskets, plants, gardening and accessories, housekeeping, photography, handmade crafts, jewelry, hairstyling, babysitting and recycled (new) items.)

Be creative and see how you could help by using your "gifts". Please contact Debbie Cope at 896-3362 ([d\\_cope95@yahoo.com](mailto:d_cope95@yahoo.com)) with any ideas, contributions or questions.

## High School Students!

This August 3rd - 9th, we will be headed to Hume Lake Christian Camp, which is one of the premier youth camps in the United States that ministers to over 10,000 high school students each summer with its high-energy recreation, team competitions, practical speakers and seminars, amazing worship music, personal and group reflection time, as well as plenty of free-time options. Campers can enjoy swimming in the pool, boating in the lake, or just hanging out with friends at Hume 'N Beans or The Frozen Sombrero. More daring students can try their talents at the Skate Park, Paintball Field, or take a leap of faith on the High Adventure course.

The cost for this year's trip will be \$435 (partial and full scholarships available, along with fundraising efforts [see above]). Space is limited to this, possibly, life changing event. You can sign up in the youth building or via email ([eric@gcfweb.org](mailto:eric@gcfweb.org)) along with a non-refundable \$50 deposit.

## Check out the Website

Remember to check out the church web site at [www.gcfweb.org](http://www.gcfweb.org). On the website you will be able to find information about Grace ministries, as well as a calendar of events taking place in the church. In the diaBlogs, you will find regular thoughts and opinions from the church staff regarding matters of culture or whatever is on their mind (see "Got an Opinion?"). You can also check the library section of the website to download recordings of sermons and Grace Institute lectures for your own study time.

## Got an Opinion?

This week's blogs:

- ♦ I went to see the movie "Expelled: No Intelligence Required" which is produced by Ben Stein. The major premise of the movie is that Intelligent Design theories have been expelled from the discussions about Darwinian theories. He cites numerous examples of suppression such as... While I was a Mechanical Engineering student at Kansas State University, I took a class called Fundamentals of Thermodynamics. Entropy was a major portion of the curriculum. During the class, I asked the professor to talk about the ramifications of the 2<sup>nd</sup> Law of Thermodynamics (Entropy) upon the discussion of origins... — Pastor Steve

- ♦ Last week, American Idol ended their "Idol gives back" episode with everyone on stage singing the popular worship song, "Shout to the Lord." I must admit it was kind of cool, but also not so cool. On the one hand, seeing that song being used on American Idol makes me... — Pastor Jon
