

WE NOT ME: BECOMING LIKE JESUS

02/12/2017 • Steve Hill • Hebrews 4:12; 10:24-25

BIG IDEA

God wants you to grow up to look like Jesus and be vitally connected to His church.

OUTLINE

1. I must develop healthy habits.
 - Easy translation
 - Reading plan
 - Journal
2. I must develop healthy spiritual friendships.
3. The Challenge: Embrace ownership

DISCUSSION QUESTIONS

1. When you go to bed on Saturday night, do you look forward to going to church on Sunday? Why or why not?
2. How do you best reflect on scripture? Do you like to journal? Discuss it with another?
3. If you have never tried journaling, would you be willing to try it for one month?
4. Who would you say is your closest spiritual friend(s) right now? What experiences has made him/her that way?
5. What thoughts come to your mind when you think of embracing ownership at GCF? Where are you in that journey (my first time here or been here a long time)?

NEXT STEP

- I need to consider what embracing ownership at GCF looks like for me this week.
