06/04/2017 • Steve Hill • Philippians 1:27-30

BIG IDEA

Live like a citizen of heaven.

OUTLINE

1. Stand for truth regardless of the opposition.
2. Give 110% for the gospel by pointing people to Christ.

Key Point: Contend not Contentious

3. View suffering as God's confirmation.

DISCUSSION QUESTIONS

1. If you are a Jesus-follower, do you feel like a citizen of Heaven in your daily life? How so?
2. Does it seem like you tend to contend for your faith or are more contentious in your relationships and experiences? Give an example. What have you learned?
3. Have you ever had to apologize for being rude or a jerk as you attempted to speak truth? Do you need to?
4. Describe any suffering or fear you have experienced as you spoke for your faith. If you're not suffering, do you need to get out of your comfort zone?

NEXT STEP

- I will evaluate if I need to get out of my comfort zone as I contend for the faith.
