BIG IDEA

Legalism Kills Joy

OUTLINE

Legalism is substituting rules and regulations for my relationship with Christ.

1. Rejoice in Christ not your accomplishments.
2. Everything else is less.
3. Live each day by Grace.
4. Get to know Christ better:
 - Time
 - Talk
 - Trust

DISCUSSION QUESTIONS

1. What has your experience been with legalism and following Jesus? Good? Terrible? None?
2. Pastor Steve talked about the problem with "Jesus Plus..." to be accepted by God. How real is this dilemma for you? Has it changed over the years? How so?
3. How much does your identity reside in your current abilities or successes vs embracing God's view of you?

NEXT STEP

- I will choose to believe the truth about the value God sees in me.
