

## **PHILIPPIANS: UNITY FACTOR**

**08/06/2017 • Steve Hill • Philippians 4:1-3**

### **OUTLINE**

1. Sometimes conflict happens in the church.
2. Be of the same mind for the sake of Christ.
3. Seek outside help when appropriate.

### **DISCUSSION QUESTIONS**

1. What is the best example of interpersonal conflict you have experienced (without gossiping, of course!)? How did it end?
2. What seems to be the biggest hurdle to “being of the same mind in Jesus” when resolving conflict? Why is this so?
3. When two (or more) people in the church find themselves in the midst of conflict, how can their faith in Jesus affect a resolution?
4. Is there a current situation you are in that needs reconciliation now?

### **NEXT STEP**

- I will commit to resolving conflict in a loving way when it arises.
