1. What is one item that serves as a visual reminder of something important for you?
2. As you were growing up, what "baton" was passed to you that you intend to pass on?
3. Describe how your faith journey was impacted (or not impacted) by influential people around you. Who has (or had) the most influence (positive or negative) in your life as it pertains to faith?
4. In Joshua 4:21, Joshua says, "In the future your children will ask, 'What do these stones mean?'" How would you answer the generation behind you when they ask you about meaningful moments or visual reminders in your life?
