

## **GOD WITH US: CHRISTMAS CHAOS**

12/07/2014 ▪ Matthew 1

### **Group questions**

1. When the holiday season rolls around, do you tend to look forward to the accompanying chaos or not? Why?
2. Read Matthew 1:18-25 together as a group. Even if you've heard this story multiple times, pick out one part that connects with you the most and then tell why.
3. Pastor Steve suggested that Jesus saves us from the chaos of sin. If true, then what is the best way to deal with the chaos that is still present even if Jesus saves us from it?
4. Discuss the cultural chaos facing Joseph at that time. Do you believe he acted courageously because of who he was as a man or because he believed Mary?
5. What are your thoughts on all the chaos facing us today both nationally and internationally? Take time to pray for those situations.

### **My Next Step today is to:**

- trust my chaos to Jesus.
- pray for chaotic situations around me.
