DISCUSSION QUESTIONS

1. Of the six outline points, which do you struggle with most and why?
2. Think of a case where you made a choice at work that did not honor God. What prevented you from making a better choice?
3. Think of a case where you made a choice at work that did honor God. What, if anything, was the reaction from your co-workers?
4. What has your effort at your job (or at home) been like in the last month?
5. Showing respect to a boss or an employee who doesn't deserve it is difficult. In what specific way can your faith in Jesus help you do it anyway?
