Are you ready for this?

DISCUSSION QUESTIONS

1. Discuss times when you have broken formation from following Jesus. Where are you at this week?
2. What might the 153 fish be in your life that compete with following Jesus? Do you recognize they are a competitor?
3. Do you feel the welcoming warmth Jesus extends (like he did for Peter) to you? If so, do you extend that same warmth to others? If not, what are the hurdles?
4. No matter what you know about Jesus, do you trust Him enough to follow Him as He asks? If not, what keeps you from making the leap?

NEXT STEP

- I will keep my 153 fish in the right perspective this week.
