BIG IDEA

I am Jonah.

OUTLINE

With Jonah I share...

- A tendency to run from God
- A willingness to turn to God only when I need help
- A preference for religion over relationship
- A reliance on idols & distorted allegiances
- A quickness to judgement & grumbling
- A calling to preach justice & redemption
- A knowledge of a good & compassionate God

DISCUSSION QUESTIONS

1. With which traits of Jonah do you most relate?
2. What events in your life confirm God's goodness and compassion?
3. In what ways do you wrestle with doing justice and sharing the gospel? Has this changed as you've grown older? How so?
4. With whom can you share the good news that God is good and compassionate?

NEXT STEP

- I will join God in doing justice in my community and sharing the good news of His redemption in Christ.
